

HPV AT A CROSSROADS

30 YEARS OF RESEARCH AND PRACTICE

SUNDAY, NOVEMBER 3

MTC Main Training Course **PWS** Practical Workshops **OC** Oral Communications **W** WACC sessions

	Auditorium	Sala Verde	Limonaia
8.30	MTC1 HPV infection and diseases: global view	OC1 Molecular Markers	OC3 Colposcopy
10.00	Coffee Break		
10.30	MTC2 Current standards for cervical cancer control	OC2 Epidemiology 1	OC4 HPV Management
12.00	Satellite symposium BD		
12.15	Sat. symp. Roche 1		
13.00	W1 WACC Forum		
13.30	PWS1 HPV testing for decision-making	OC5 HPV Screening 1	OC7 WACC Oral communications
14.00	PWS2 HPV vaccination: theoretical issues, resistance and new developments		
14.50	Coffee Break		
15.35	PWS3 Cervical diseases: translating research into practice	OC6 Vaccines 1	W2 WACC in Japan
16.00	PWS4 Announcing HPV infection		
16.45	Satellite symposium Hologic Gen-Probe		
17.30	Opening Ceremony followed by Welcome Reception at Fortezza da Basso		
19.00			
20.30			

MONDAY, NOVEMBER 4

MSS Main Scientific Session **SS** Scientific Session **OC** Oral Communications **CS** Clinical Session **TS** Training Session **IW** Workshop Italiano

	Auditorium	Sala Verde	Limonaia	Palazzo Affari Ground Floor	Palazzo Affari 1st Floor
8.00	MSS1 HPV Screening 1	OC8 Anus	SS2 Gynecologic oncology	OC9 Epidemiology 2	
8.30	MSS2 Vaccines 1				SS1 HPV-related diseases in European Countries (PREHDICT)
9.30	Coffee Break				
11.00	Satellite symposium GSK				
12.45	Satellite symposium Qiagen				
13.00	Satellite symposium Abbott				
14.15	CS1 Screening 2	TS1 HPV and the clinic HN	OC10 Screening and Prevention	SS4 HPV testing quality assurance	IW1 Comunicazione nell'era HPV (ends 15:30)
15.00	CS2 Vaccines 2				OC11 HPV in men
15.30	Coffee Break				
15.45	Satellite symposium Incell Dx				
16.00	Congress Dinner				
17.00					
17.30					
19.00					
20.30					

HN Head & Neck sessions **IW** Workshop Italiano

TUESDAY, NOVEMBER 5

MSS Main Scientific Session **SS** Scientific Session **OC** Oral Communications **CS** Clinical Session **IW** Workshop Italiano

	Auditorium	Sala Verde	Limonaia	Palazzo Affari Ground Floor	Palazzo Affari Adua	Palazzo Affari 1st Floor
8.00	MSS3 HPV Screening 2	MSS5 HPV and non- oropharyngeal H&N cancers HN	SS6 Vaccines 3	SS8 Late breakers	OC13 Biology / Immunology	IW3 Vaccinazione e screening
9.30	MSS4 Cervical cancer control in Italy		SS5 HPV infection in the oral cavity HN	SS7 Vaginal self-sampling		SS9 Therapeutic vaccines 1
11.00	Coffee Break					
11.30	Satellite symposium Roche II					
12.45	Satellite symposium Sanofi Pasteur MSD					
13.00	CS3 Performance of cervical colposcopy	SS13 HPV and head & neck cancers HN SEM1 HPV infection and associated cancers HN	SS14 Low risk HPV infection	SS17 Screening 3	SS19 HPV and other cancers	IW4 Il laboratorio nell'era HPV
14.00						
14.30	Coffee Break					
15.00	CS4 Clinical value of HPV testing	OC14 HPV and H&N cancers 1 HN	SS15 Therapeutic vaccines 2	SS18 p16	SS20 Carcinogenesis	IW5 Il follow-up post trattamento o post colposcopia negativa
16.30	SS12 HPV testing methods					
17.00						
18.00						
19.15						

HN Head & Neck sessions **IW** Workshop Italiano

WEDNESDAY, NOVEMBER 6

MSS Main Scientific Session **SS** Scientific Session **OC** Oral Communications **CS** Clinical Session

	Palazzo degli Affari Ground Floor	Sala Verde	Limonaia	Onice
8.00	CS5 Vaccines 4	SS22 Vaccines 5	CS6 Screening 4	SS24 Low resource settings
9.30	MSS6 Epidemiology of HPV infection	SS23 Vaccines 6	OC18 Cyto-histology	Colposcopy Course (Separate registration required)
9.45	MSS7 EUROGIN 2014 Roadmap HN			
11.00	OC16 HPV testing 2	OC17 Vaccines 2	CS7 Management	
11.15			CS8 Colposcopy / Treatment	
12.30				
12.45				
13.00				
14.00				
14.30				
15.00				

HN Head & Neck sessions
