FEEDBACK

Comments received from delegates on the program content and structure **were overwhelmingly positive. The possibility to replay sessions was much appreciated.**

“ Even in a non-conventional format, EUROGN 2021 was an excellent event, well organized and full of important topics and discussions. Congratulations for making this possible in a very difficult year! ”

“ Congrats to you and the whole Eurogin team to organize such a fantastic virtual format of the congress. ”

“ Let me first congratulate all the team for the excellent smooth management of the Virtual 2021 edition. ”

“ Your persistence during the difficult times has been admirable! ”

“ Many thanks again for organizing this interesting congress! ”

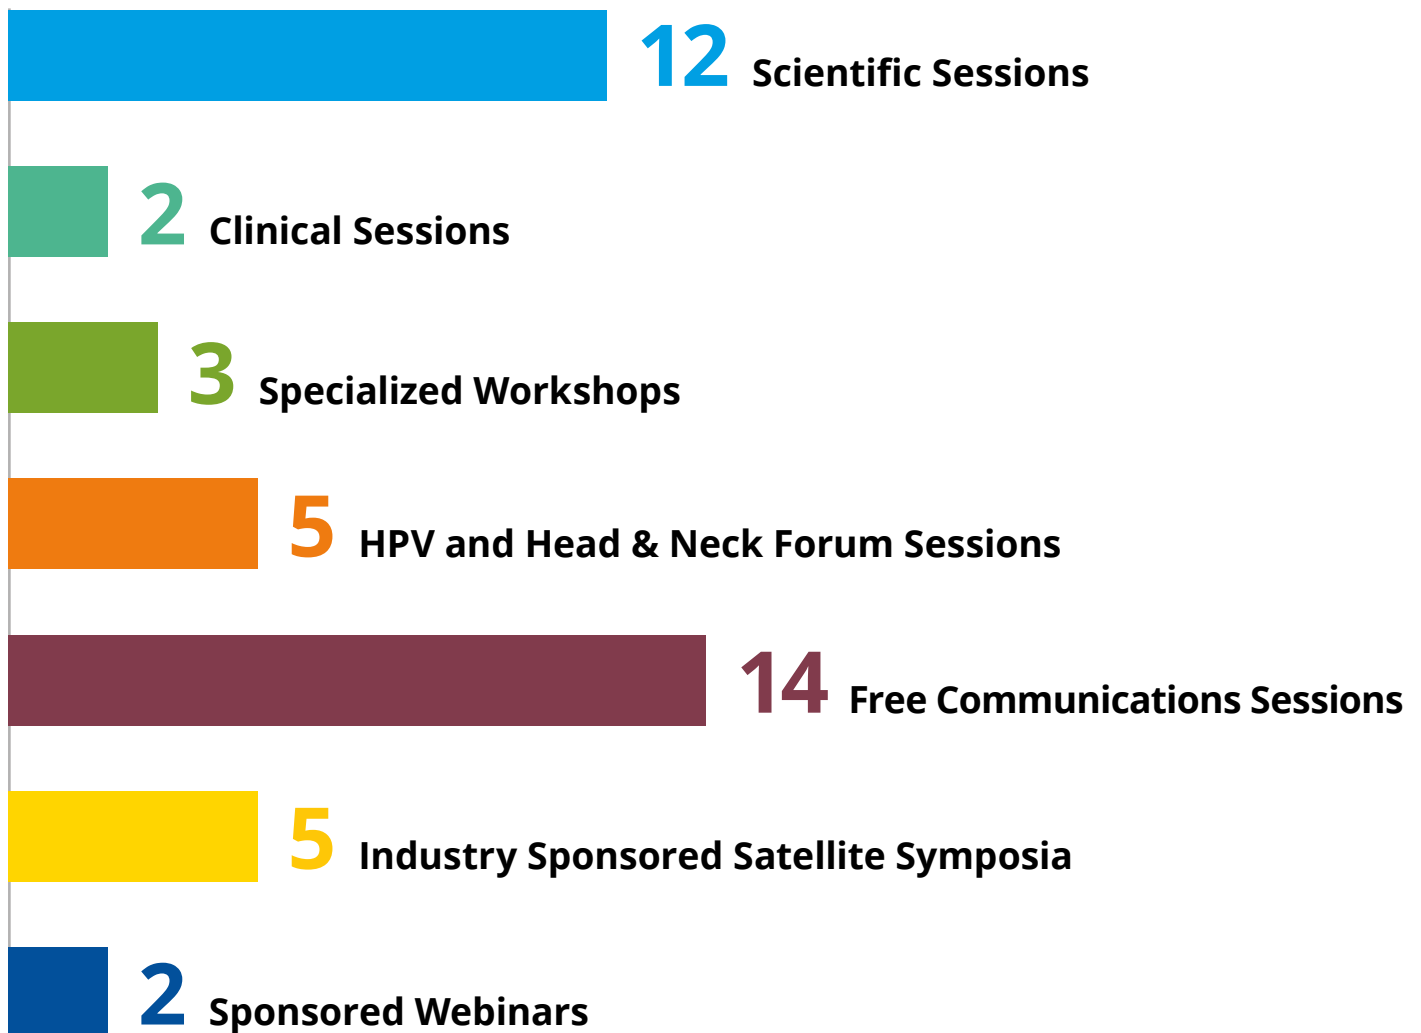

A majority of attendees **looks forward to a return to a face-to-face conference format, possibly keeping some of the virtual features.**

“ I would like to congratulate for the successful meeting under difficult situation and I am looking forward to Düsseldorf 2.0 next year. ”

“ I thought EUROGIN was a great success I learnt so much. Of course, I miss the human interaction but well done for putting together such a comprehensive program ”
