Poster Printing Service

EUROGIN is proud to offer once again the PosterSessionOnline service: a high-quality, printing & delivery service which is available to all poster presenters.

If you take advantage of this service, your poster will be printed to the highest professional standard and you will be able to pick it up from the onsite Registration Area, at your convenience just before or during the meeting. The complete printing, packing and delivery service is subsidized and will cost 62€ + 21%VAT.

All posters created by this service will be added to a VIRTUAL POSTER GALLERY following the meeting. This aims to ensure that your poster gets maximum exposure. If you prefer to print your poster yourself and bring it to the meeting, you may submit a PowerPoint or PDF version free of charge to be displayed on this online resource.

STEP 1: Prepare your poster in PowerPoint or PDF, 90x120 cm portrait, 1 slide only

Correct dimensions

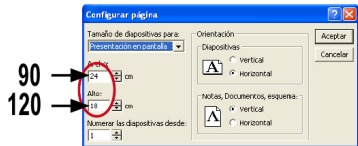

A common mistake in posters we receive is incorrect dimensions. This can cause distortion to the final format for printing.

These are the correct poster dimensions:

90 cm
120 cm

Please set up your poster correctly in PowerPoint:
<Design> <Page Set-up>
This avoids us having to ask you to resend your poster.
