INTERNATIONAL MULTIDISCIPLINARY HPV CONGRESS

DÜSSELDORF  
APRIL 10 - 12

# 2022

## ACCELERATING DETECTION AND ELIMINATION OF HPV AND RELATED CANCERS

*Congress Presidents: Anna Giuliano (USA), Peter Hillemanns (Germany)*

### POST MEETING REPORT

# EUROGIN 2022

INTERNATIONAL MULTIDISCIPLINARY HPV CONGRESS

Düsseldorf, Germany • April 10-12, 2022

EUROGIN 2022 in Düsseldorf was the first large scale HPV congress held as an in-person event.

The meeting was organized despite continuing uncertainty related to the COVID-19 pandemic.

Fortunately the situation had continuously evolved positively over the preceding months with only few travel and organisational restrictions remaining in force by the time of the conference.

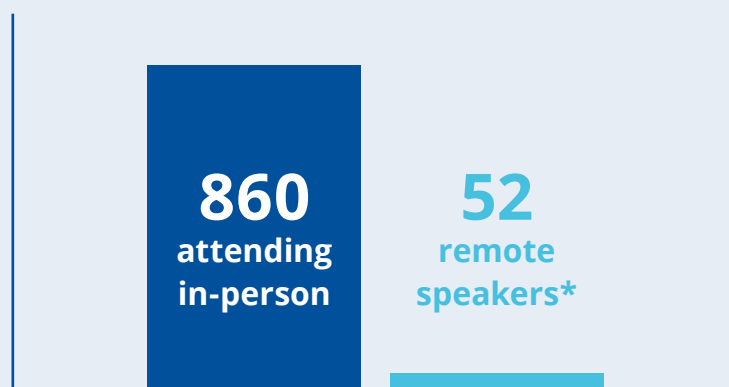

Statistical comparisons of EUROGIN 2022 with pre-COVID editions should be interpreted within the COVID-19 context.

# ATTENDANCE

 **912**  
registered participants

 **55**  
different countries

## ATTENDANCE BREAKDOWN

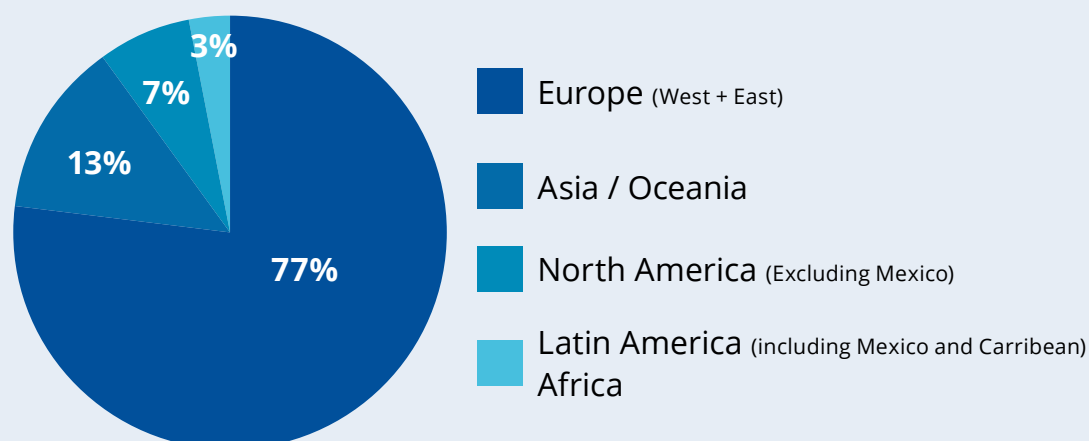

*\*Not attending in person, mainly non-European*

The attendance level of the EUROGIN 2022 congress was very satisfactory taking into account the continuing travel restrictions in some countries and uncertainties due to COVID-19.

**Attendance numbers represented 70 %** of the those recorded at the last pre-COVID edition in 2019.

## GEOGRAPHICAL BREAKDOWN

## PROFESSIONAL PROFILES BREAKDOWN

**HCPs (Health care professionals)** represented **more than 60%** of all participants attending in-person.

Of these, **70% were gynecologists**, and **30% other specialties**: oncologists, virologists, ENT specialists, public health specialists, etc.

# PROGRAM STRUCTURE / SESSIONS

## CME (CONTINUING MEDICAL EDUCATION)

**EUROGIN 2022 congress – Accelerating detection and elimination of HPV and related diseases**, Düsseldorf, Germany, 10/04/2022 - 12/04/2022 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) for a maximum of 20 European CME credits (ECMEC®s). Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

# SPEAKERS, PRESENTATIONS & ABSTRACTS

**354**

speakers & poster presenters

**180**

faculty members

**52**

posters

**419**

oral presentations\*

*\*These include presentations in the following sessions: Full-Day Workshop on CIN3-ADC in-situ, Main Scientific Sessions, Scientific Sessions, Clinical Sessions, Specialized Workshops, HPV and Head & Neck Sessions, Local Workshop, Free Communications. They do not include presentations in sponsored symposia.*

# EXHIBITION

25  
exhibitors

300 m<sup>2</sup>  
of exhibits

## SATELLITE SYMPOSIA

5 sponsored satellite symposia were organized by industrial partners at lunchtime or in the afternoon.

Attendance was generally very satisfactory with variations according to the topics and time slots. Most attendees at satellite symposia are highly motivated to learn about the data and experience offered.
