

## WEDNESDAY FEBRUARY 8

WEDNESDAY FEBRUARY 8				
Room 0B	Room 0E	Room 0D	Room 0A	Room 0C
				Colposcopy Course WS 01 • Part A
MSS 01 • Prognostic biomarkers for cervical HSIL progression	SS 01 • HPV and pregnancy	SS 02 • HPV tests validation protocols for ASCUS triage and for post-treatment monitoring	Free Communications FC01 • Genotyping	
LUNCH BREAK	Satellite Symposium	Free Communications FC02 • Anal neoplasia	Free Communications FC04 • Epidemiology and natural history 1	Colposcopy Course WS 01 • Part B
MSS 02 • New guidelines for validation of HPV tests for cervical cancer screening	SS 03 • Transmission: role of the male partner	Free Communications FC03 • Self-sampling 1	Free Communications FC05 • HPV prophylactic vaccines 1	Free Communications FC07 • New technologies / Artificial intelligence
MSS 03 • Monitoring HPV vaccine impact in males	CS 01 • Management of CIN	WS 02 • Cervical cancer screening workshop	Free Communications FC06 • Methylation 1	Free Communications FC08 • Colposcopy / Management
	CS 02 • Test of cure: strategies for the follow up of women treated for CIN			
PC • Opening Ceremony with Young Scientists Pitch Contest				

## THURSDAY FEBRUARY 9

THURSDAY FEBRUARY 9				
Room 0B	Room 0E	Room 0D	Room 0A	Room 5H Terrace
MSS 04 • Improving cervical cancer elimination strategies	SS 04 • New screening algorithms in European countries	Free Communications FC09 • Self-sampling 2	Free Communications FC10 • Low-income countries 1	
MSS 05 • Debate on controversial topics	SS 05 • Molecular triage of HPV-positive women	CS 03 • Colposcopy in the HPV era	Free Communications FC11 • Low-income countries 2	
LUNCH BREAK	Satellite Symposium	LUNCH BREAK		
Satellite Symposium	LUNCH BREAK			
MSS 06 • Self-sampling in routine practice, operational and technical issues	SS 06 • Evolution of HPV vaccination schedules	SS 09 • Tumour HPV status and implications for survival outcomes in cervical and non-cervical disease	HPV and Head & Neck Forum HN 01 • Screening for HPV-OPC	Workshop HPV France Élimination du cancer du col utérin en marche
MSS 07 • Prevention of cervical cancer among people living with HIV	SS 07 • Quality assurance and validation of primary, triage testing and collection methods	SS 10 • Microbiome	HPV and Head & Neck Forum HN 02 • Basic science	
MSS 08 • HPV and host methylation as triage tools	SS 08 • Digital interventions to increase HPV vaccination	SS 11 • HPV prevention and screening in vulnerable populations	HPV and Head & Neck Forum HN 03 • Submitted papers	

## FRIDAY FEBRUARY 10

FRIDAY FEBRUARY 10				
Room 0B	Room 0E	Room 0D	Room 0A	Room 0C
MSS 09 • VALGENT / VALHUDES	SS 12 • Benefits and harms of HPV screening	Free Communications FC 12 • HPV prophylactic vaccines 2	HPV and Head & Neck Forum HN 04 • Epidemiology and prevention of HPV-OPC	CS 04 • VaIn management
COFFEE BREAK		COFFEE BREAK		
MSS 10 • Impact of HPV vaccine on cancer	SS 13 • New triage methods	SS 14 • Screening and vaccination implementation in Eastern and Central Europe	HPV and Head & Neck Forum HN 05 • Management	CS 05 • VuIn update
Satellite Symposium	LUNCH BREAK	LUNCH BREAK		
SS 15 • Obesity in cervical cancer screening and management	Satellite Symposium	Satellite Symposium	HPV and Head & Neck Forum HN 06 • Submitted papers	LUNCH BREAK
MSS 11 • Primary self-sampling strategies	SS 16 • Who should be referred for high-resolution anoscopy (HRA)?	Programa Workshop AEPCC	HPV and Head & Neck Forum HN 07 • Molecular diagnosis and surveillance	Free Communications FC 13 • Screening / HPV testing 1
COFFEE BREAK		COFFEE BREAK		
MSS 12 • Extended HPV genotyping in screening	SS 17 • HPV latency	COFFEE BREAK	SS 19 • The utility of urine for improved cervical cancer prevention	Free Communications FC 14 • Epidemiology and natural history 2
MSS 13 • Next generation HPV based sequencing	SS 18 • Risk stratification in the follow up	Programa Workshop AEPCC	Free Communications FC 16 • Health education - Advocacy - Public Health	Free Communications FC 15 • Economics and modelling

## SATURDAY FEBRUARY 11

SATURDAY FEBRUARY 11		
Room 0E	Room 0D	Room 0C
Free Communications FC 17 • Epidemiology and natural history 3	Free Communications FC 20 • Screening methods and self-sampling	Free Communications FC 23 • Molecular markers
Free Communications FC 18 • Microbiome	Free Communications FC 21 • Triage of HPV positive women	Free Communications FC 24 • Serology and immunotherapy
Free Communications FC 19 • Methylation 2	Free Communications FC 22 • Screening / HPV testing 2	

## PROGRAM OVERVIEW LEGEND

- MSS - Main Scientific Session
- WS - Specialized Workshop
- SS - Scientific Session
- Colposcopy Course
- CS - Clinical Session
- LW - Local Workshop in Spanish
- FC - Free Communications
- Workshop HPV France
- Satellite Symposium
